

REEF & ISLAND IN A DAY TOUR

SUMMARY

Departing from Cairns, guests embark on a 1.5-hour journey aboard an air-conditioned catamaran to the Sunlover Moore Reef Pontoon, located on the Outer Great Barrier Reef. Perfectly positioned to showcase the reef's breathtaking beauty, the pontoon offers vibrant coral formations and an abundance of marine life, including turtles. Fully equipped with snorkeling gear, it also features Sunlover's exhilarating 30-meter spiral waterslide for endless fun.

For those who prefer to stay dry, semi-submersible and glass-bottom boat tours provide an excellent way to explore the reef's wonders. Additionally, the pontoon's underwater observatory offers a unique glimpse into a stunning natural aquarium. Guests seeking extra adventure can enhance their experience with a guided snorkel tour, a Seawalker helmet dive, or a scenic helicopter flight over the reef.

The journey continues with a visit to Fitzroy Island, where a premium buffet lunch awaits at Zephyrs Restaurant on Welcome Bay. A favorite among Cairns locals, Fitzroy Island boasts a landscape that is 99% covered in lush tropical rainforest, interspersed with granite outcrops, open woodlands, mangroves, and coral-fringed beaches. Snorkeling equipment is also provided, allowing visitors to explore the island's vibrant marine surroundings.

This unforgettable experience seamlessly combines the mesmerizing Great Barrier Reef with the tranquil beauty of Fitzroy Island, offering an array of water activities in one unforgettable, extraordinary day.
